

BSO has a New Volunteer Portal for every volunteer

We have a new Online Volunteer Portal! It's a great tool for all volunteers to complete the required trainings, begin the background check process, and update their own records.

To access the volunteer portal you can type in <https://vsys.specialolympicspa.org/>

To log into the online portal you will use your email address as your User ID. When logging in for the first time you will select "forgot password" and you will receive an email with a new password generated by the system. This is standard procedure for anyone logging in for the first time.

Once in the portal you can update your password to something that you'll remember, complete the 3 required trainings to be a Class A volunteer, view the dates of expiration for the required training, start and view your background check status and updated your address phone number and email.

If you have any questions please reach out to Dana Lindsey at bso.dana@gmail.com.
