

## Do you enjoy music and dancing?

## Do you want to have fun listening to music while volunteering?

Bethlehem Special Olympics is looking for energetic individuals to work with athletes in Rhythmic Gymnastics.

When and where? Wednesday evenings from 6:30-8:00 October through June, in Bethlehem PA.

Rhythmic Gymnastics is the perfect combination of sport and art, linking expressive dance steps with skillful manipulations of the ball, rope, ribbon, hoop or clubs (throw, spin, spiral, roll and catch).

### Rhythmic Gymnastics coaches will:

- Train athletes using pre-choreographed music & routines
- Correspond with other Special Olympics Counties for dates of invitational competitions
- Work with other artistic gymnastic coaches to prepare our annual invitational at Parkettes
- Travel to 3-4 competitions per season (including 2 overnights the beginning of June to Penn State)
- Attend coaches informational meetings (around once a year)
- Enjoy the company of awesome athletes who appreciate your time and commitment

Having a background in dance would be beneficial, but not necessary. This is a fun sport with a small group of about 10 fun loving young ladies.
